# Spirit Flows Inside M.C.H.S.

The students were very energetic this year during Spirit Week. Everyone really got involved even the new Sophomores. Each day carried out a good inside look at Marine City High School.

Monday started off with Zoo Day. Tuesday the excitement was swinging with 50's Day. Wednesday everyone wore their favorite hats. Thursday was Punk Rock Day and Friday everyone showed their school spirit and dressed up in Orange and Black.

Last hour the adrenalin was flowing with ambitious people ready to win. The overall look at the end of the week showed Juniors and Seniors tied while Sophomores followed close behind.

1. Jackie Owens and Cheryl Recor pose with their favorite hat for Hat day.
2. Just a few Punk Rockers here at M.C.H.S. showing their spirit.
3. Charlie Volkman and Lori Smith proudly accept the honor of being chosen King and Queen at the Homecoming Game.
4. Jerry Greib and Becky Burton anxiously awaiting to eat their pie.
5. Nadine Hudson, Mike Frank and Collene Kaufman, decorating the Homecoming stage.

# Outside Events Looking In

The fall events of 1982 were much different than previous years. The seniors and juniors combined to help clean up the mess at the sophomore float party.

The cold weather in October brought classrooms full of students wearing coats, hats, and mittens, followed by arguments, days off, and much confusion. Installation of the new boiler put a timely end to the problem.

Outside activities namely the Campus Life Mudbowl and Explorers Camping Trip helped students at MCHS get involved.

1.

1. Mrs. Ralston can't help but think how nice it would be to have heat.
2. Who us? Cold? What would give you that idea?
3. The High Adventure group takes a relaxing camping trip to Lapeer, Mi.
4. Juniors and Seniors work hard to clean up a little mess at the Sophomores float party.
5. Steve Pawlyshyn, Melissa Burton and Russell Bassett, gathered at the mudbowl to have some fun.

## The Educators

The educators are a group of dedicated people who guide and advise students to learn important facts that will help them in their future lives. An inside look at these educators will show people who are concerned about teaching their students to become better people and more responsible adults. They give us the essentials we need to survive in the business world. The Educators know they will be remembered as kind people whose knowledge is important.

*M.C.H.S. office staff is a must for a smoothly runned school.*

*The office ladies, Mrs. Faucher, building aide, and Mrs. Westrick, bookkeeper, along with Mr. Bolla's secretary Mrs. Joyner really have their work cut out for them. They do anything from writing out absent slips and recording attendance to keeping internal accounts.*

*Assistant principal Mr. Wiinikainen also keeps track of attendance. One of his jobs is assigning detention.*

*Mr. Bolla has many duties involved in his job as principal. Taking care of parent-teacher conferences, assisting teachers with problems and taking student requests help to fill up his busy day.*

*If students are having a hard time finding a book, Mrs. Green is always glad to assist in any problem. She has responsibilities for keeping the library in proper order, maintaining periodicals and also taking care of the computers and all other audio visual equipment.*

## *Behind the Scenes*

4.

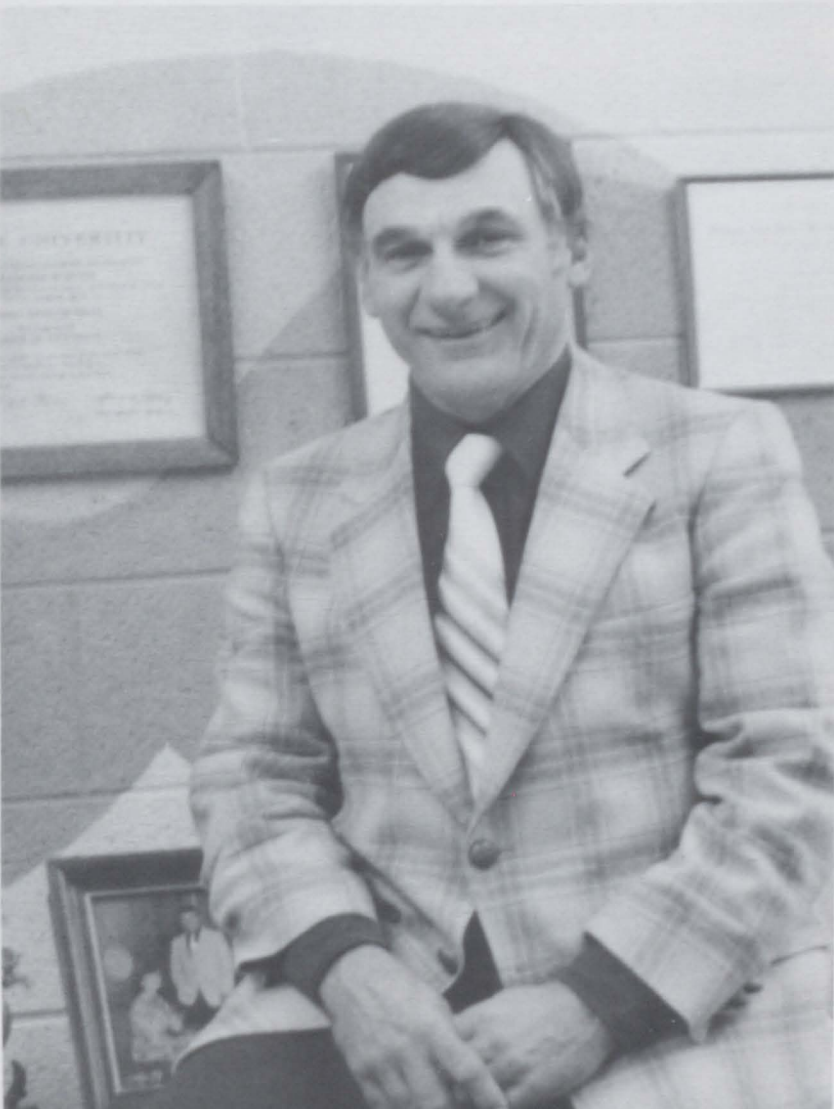

5.

2.

3.

6.

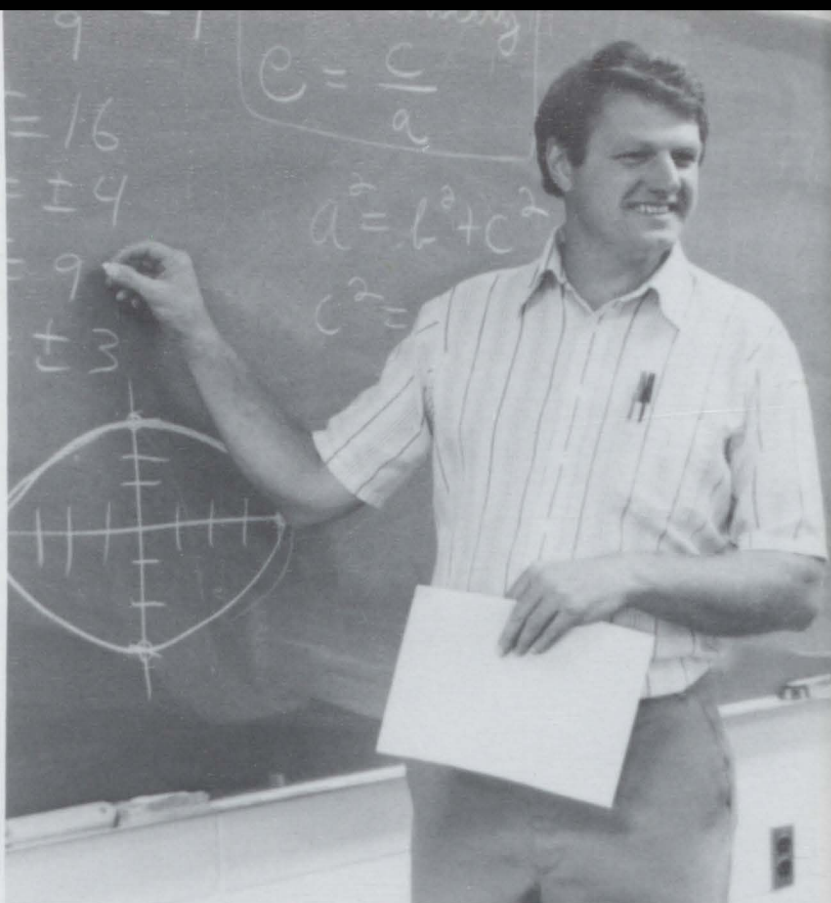

1. Mr. Stanley Wiinikainen loves making out the detention list.
2. "Hello, Marine City High School, Ann Westrick speaking, may I help you?"
3. Trying to keep on top of her duties is Mrs. Carol Joyner.
4. Mrs. Jewell Green plays with her favorite toy, the TRS 80.
5. Mrs. Donna Faucher glances over the agenda for the upcoming week.
6. Proud of his achievements at MCHS is Principal Mr. Robert Bolla.

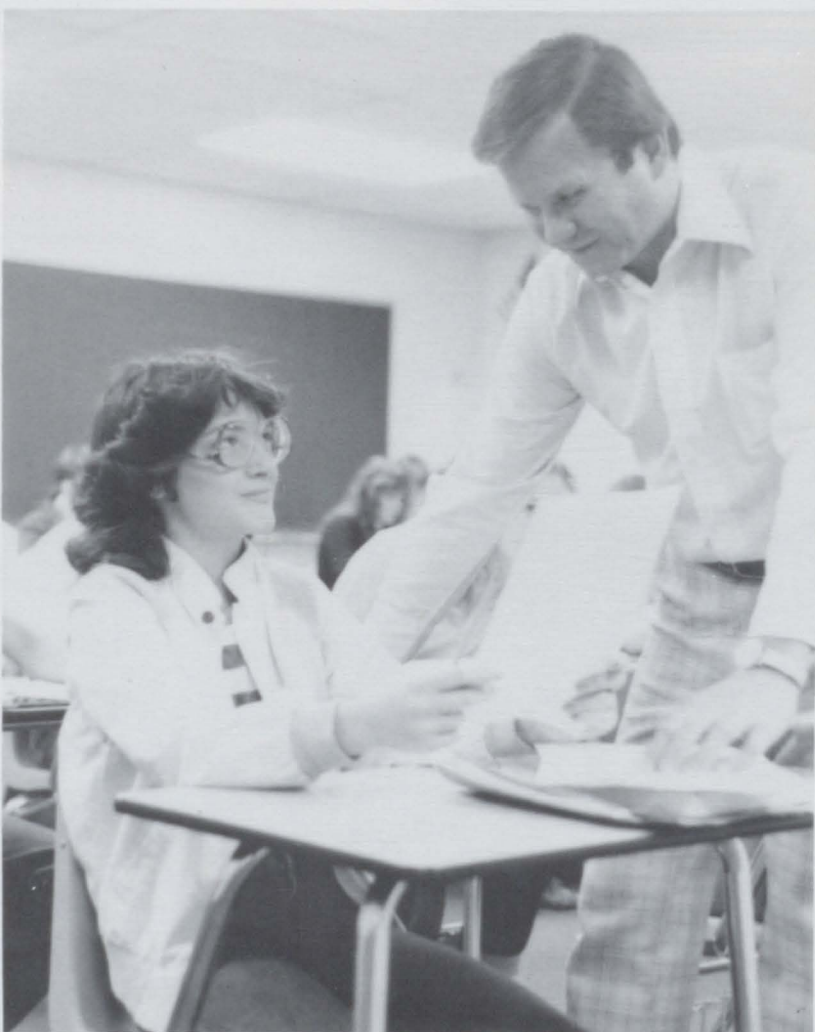

Most students at M.C.H.S. have encountered one of the incredible math teachers on the Marine City Staff. One of these is Mrs. Burmann who is teaching the new computer class available to students this year. She also instructs Algebra and Elementary Algebra students. Mr. Gunderson teaches Advanced Math, Topics in Math, and Calculus. A few high school students journey to the junior high where they are taught Geometry by Mr. Saunders. A new addition to the M.C.H.S. staff is Mrs. Drews, who taught in Japan and also in Howell, Mi. She likes teaching Elementary Algebra, Practical Math and Geometry.

Consumer Home Economics is Miss Radtke's curriculum for life time skills. These include Child Development, Parenting, Housing, Family Relations, and Home Interior. Everyone has the need for one of these important skills.

Mrs. Klemmer is well appreciated for her help in special areas of interest in the Resource Room.

4.

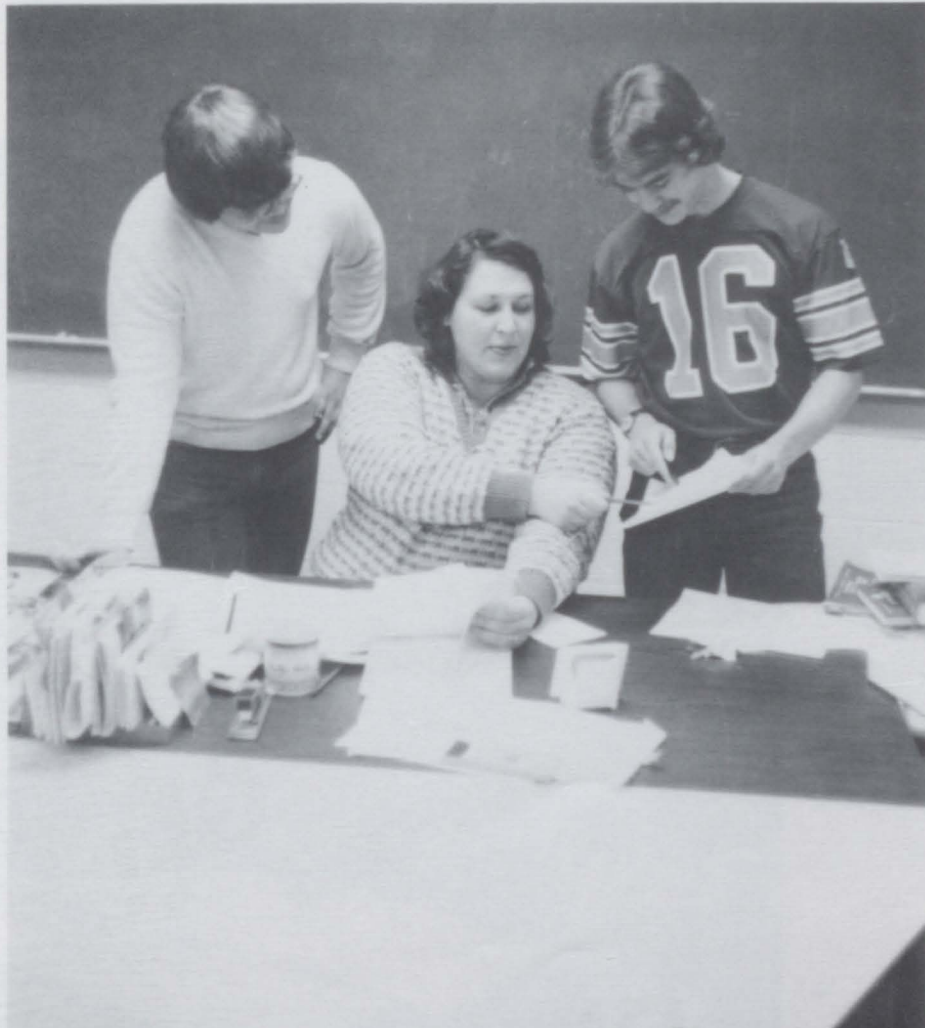

2.

3.

## *Calculations lead to Perfect Patterns*

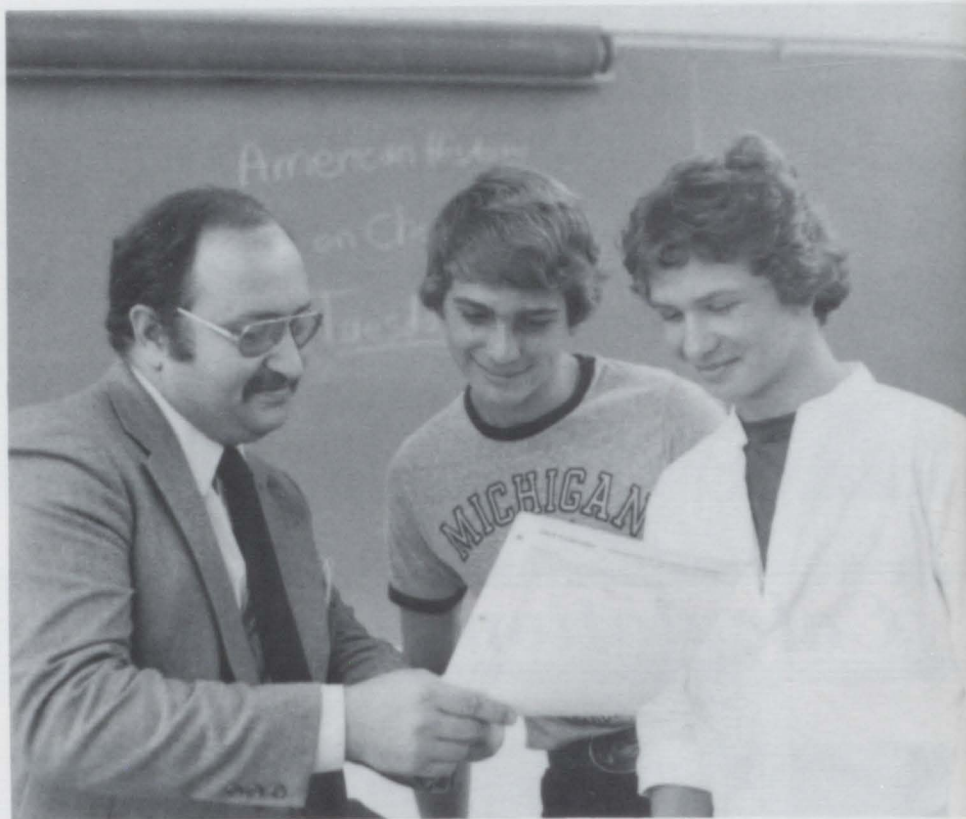

1. Explaining the square root of 9 to the advanced math class is Mr. Gene Gunderson.
2. Mrs. Carol Klemmer assists Lynn Horton with a difficult mathematical problem.
3. Brenda Jones and Mrs. Beverly Drews show the class how many degrees there are in a triangle.
4. Checking out the new line for "83" is Miss Bethany Radtke and Tammi Turke.
5. Mr. Alan Saunders tells Lisa Hanes that math homework pays off in the long run.
6. Tony Piacentini and Bob Rhodes try to explain to Mrs. Penelope Burmann that their answer is right.

# English Creates an Adventure

1.

2.

1. Mrs. Kathleen Gustavison recites a poem in French to her students.
2. Mr. Gerald Pasquantonio explains to Joe Messina and Ron Olechowski their daily assignments.
3. Mrs. Michelle LaMirand checks over Denine Salagan's Spanish vocabulary.
4. One thousand more dollars to go, Mr. Anthony Cavis points out to yearbook class.
5. Mr. Garey Harvey reads a passage from Moby Dick.
6. There are six elements to a Novel, illustrates Mrs. Nancy Christy.

5.

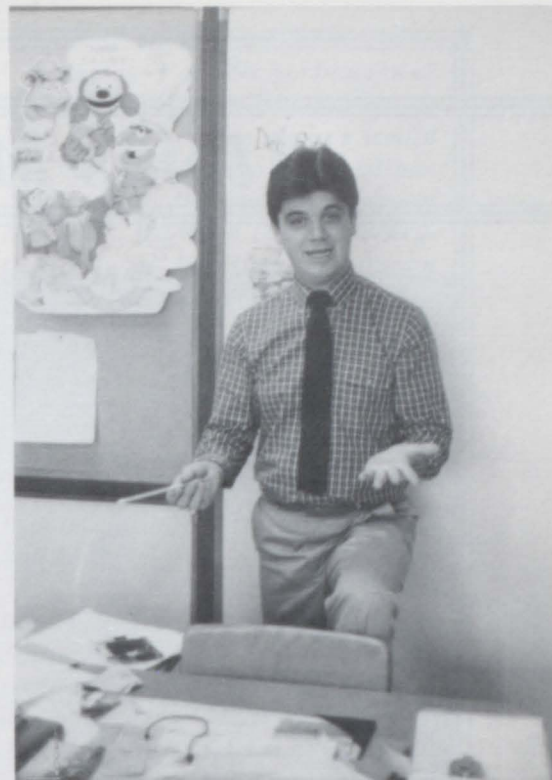

3.

6.

4.

*At M.C.H.S. the English department plays a very important role in teaching students proper speaking and writing skills.*

*Mr. Cavis who spends a majority of his time breaking in sophomores also is advisor of the yearbook staff.*

*Students interested in Western Literature or Composition enjoyed Mr. Harvey's classes. He also prepares students in the area of advanced writing skills.*

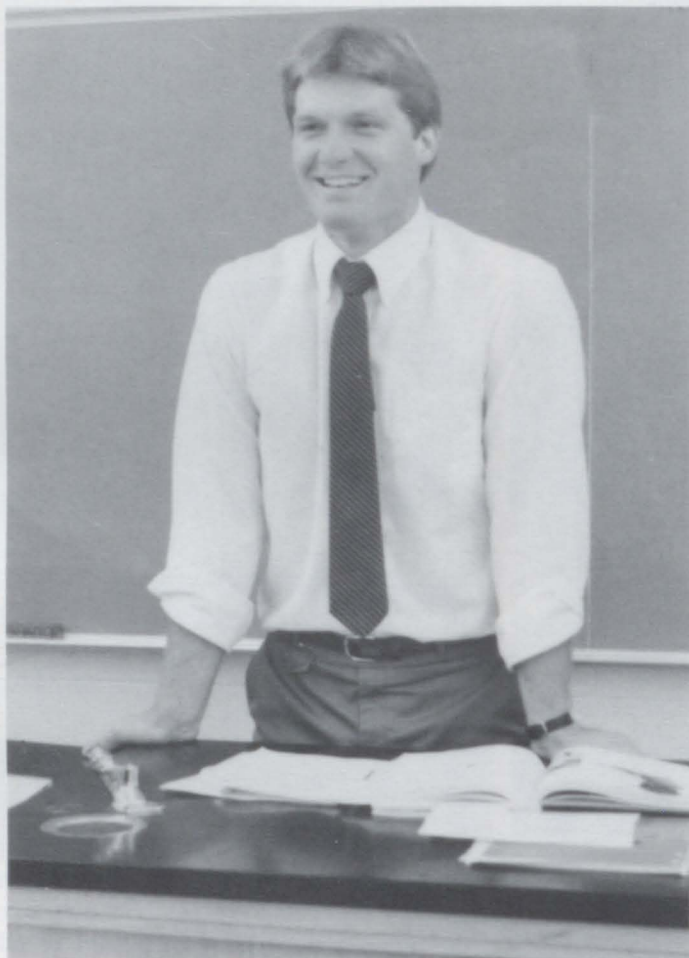

*Mrs. Christy, who recently was a teacher at Belle River Elementary School, returned from a year's absence, to see her sophomores graduate. She taught Novels and American Literature. Mr. Pasquantonio's class gave English Workshop students a chance to write a journal. He also taught Speech, and an American History class.*

*Mrs. LaMirand's Spanish class gave students a chance to widen their vocabulary and also learn Spanish culture, literature and proper speaking and writing skills in Spanish.*

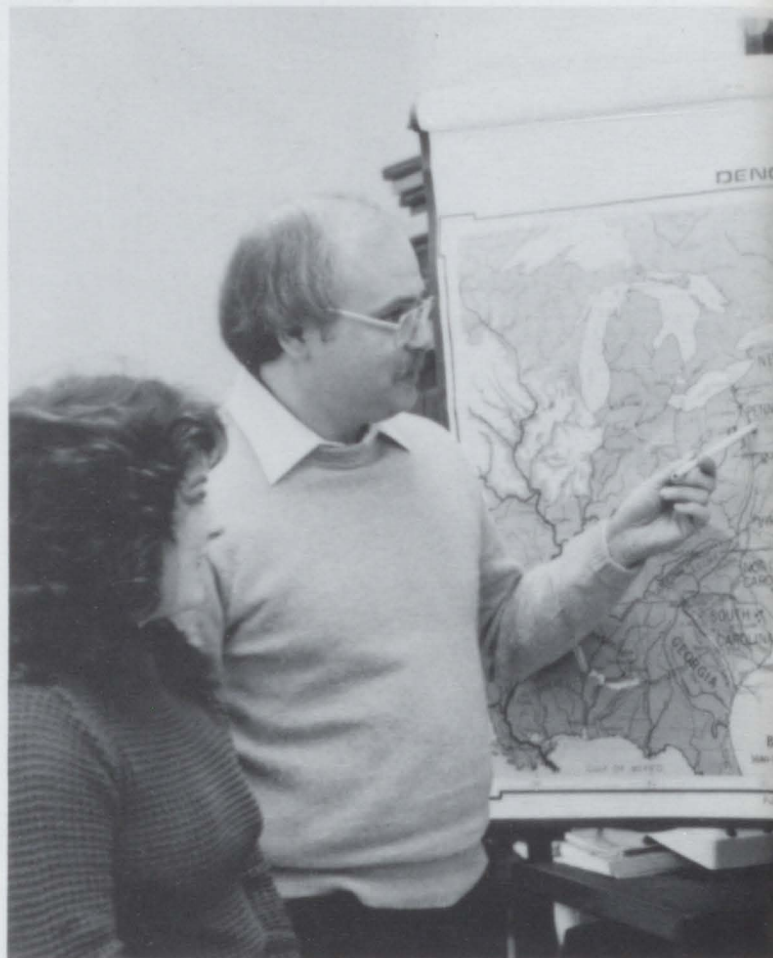

*Another new addition to M.C.H.S. was Miss Gustavison's French class. In this class students learned many things about the French culture. In addition they participated in dictées and orales and cooked French crepes.*

# Atoms Make History by Law

1.

2.

1. Mr. Tim Carlson flashes a smile while reciting the daily assignment.
2. Pointing out the state of Pennsylvania to Kathleen Beattie is Mr. Charles Homberg.
3. Karen Gramer watches intently as Mrs. Mary Harris demonstrates the proper usage of test tubes.
4. Mrs. Maryanne Weins supervises an experiment being done by Jerry Greib and Greg Schulte.
5. Julie Brettin listens intently as Mr. Don Chamberlain explains the structure of City Government.

4.

3.

*What is Paradichorbenzene? Being a student in Mrs. Harris' or Mrs. Weins' science classes would provide the answers to questions such as this. During the course of the year, students learned everything from lighting a bunsen burner to the awesome task of dissecting a frog.*

*This year MCHS girls found a new species to study, Mr. Carlson, a graduate of Kalamazoo College. In addition to teaching life science and biology, he also enjoyed his first year coaching the freshman football team.*

*In American Studies Mr. Homberg taught a bright new crowd of Juniors. These Juniors had the opportunity to study various cultures and backgrounds that helped make America what it is today.*

*Mr. Chamberlain adopted another wild and crazy crew of Seniors for his government classes. He was able to set up many informative and interesting events to make Government easier to understand. He provided visits to Teen Court where students got a chance to serve on a jury. Also, with the election year at hand, his students were provided with a trip to the Guy Center to learn the correct voting procedures.*

# Speed, Accuracy Leads to Success

1.

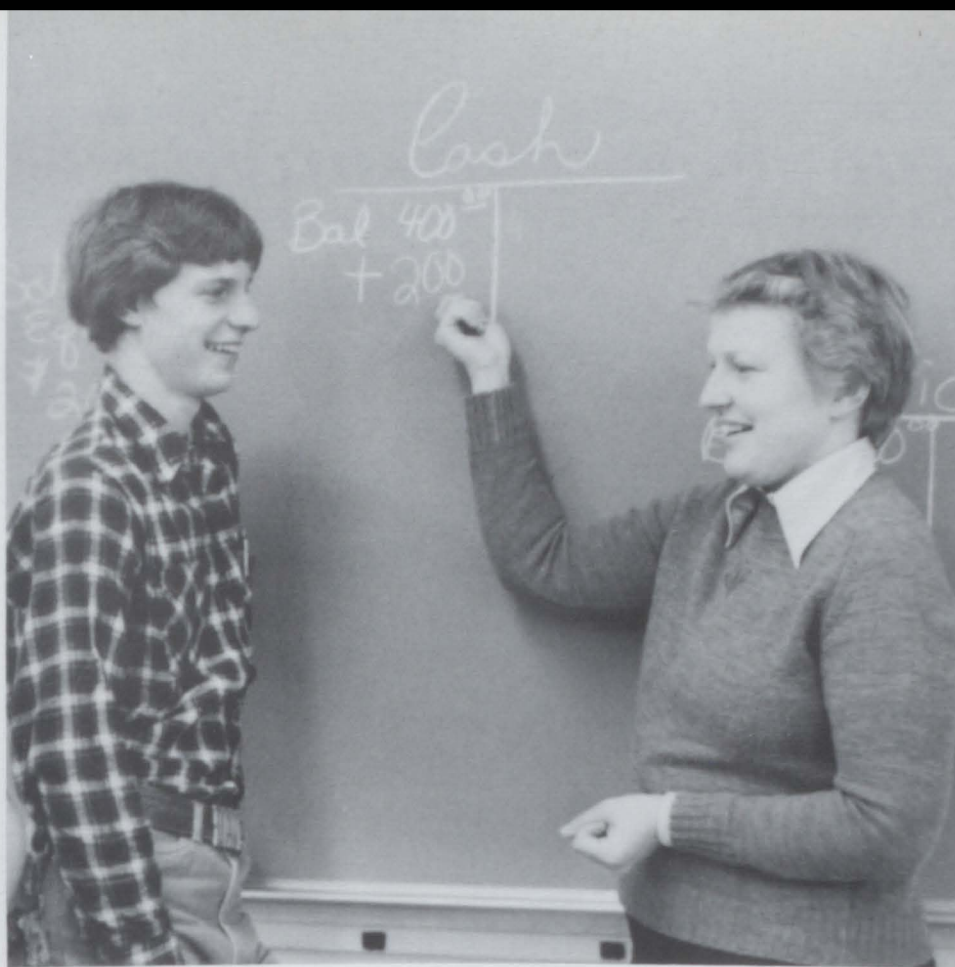

2.

1. Explaining the rules of centering to Marie Tranchemontagne is Miss Sondra Cawrse.
2. Mrs. Joyce Warner explains a troublesome problem to Kim Gorney.
3. Instructing Dave Dupre on how to balance a Cash Flow Chart is Mrs. Colleen Webb.
4. Chris Pryzewski finds out from Mr. Dave Scheel that operating a video tape deck isn't as hard as it looks.
5. As Mrs. Patricia Biebuyck proofreads her work for the third time, Tracey Rettinger wonders if she'll ever get it right.
6. Miss Kathryn Kimmet takes time out of her busy schedule to file away some of her problems.

4.

3.

Need some advice on a career for your future? Do you want to know more about an army or navy position, or maybe just a problem that nobody else will listen to. The place for the answers is the Guidance Office; the people to see are Mr. Scheel or Miss Kimmet. Both of our counselors go out of their way to provide students with needed counseling.

"How many lines do we go down?" is one of the most frequently asked questions in Miss Cawrse's Typing 1 classes. This class is a must if students are seriously considering a business career. Mrs. Biebuyck also teaches Typing 1 in addition to Shorthand & Recordkeeping classes. If numbers are your bag, then Mrs. Webb's Accounting class is for you. Many financial questions and situations that the future deals with are answered in her class.

Mrs. Warner's office block classes offer future secretaries the experience of working in a businesslike atmosphere. These classes also organize the annual spring career day.

6.

# Cooking, Cleaning and Creativity

1.

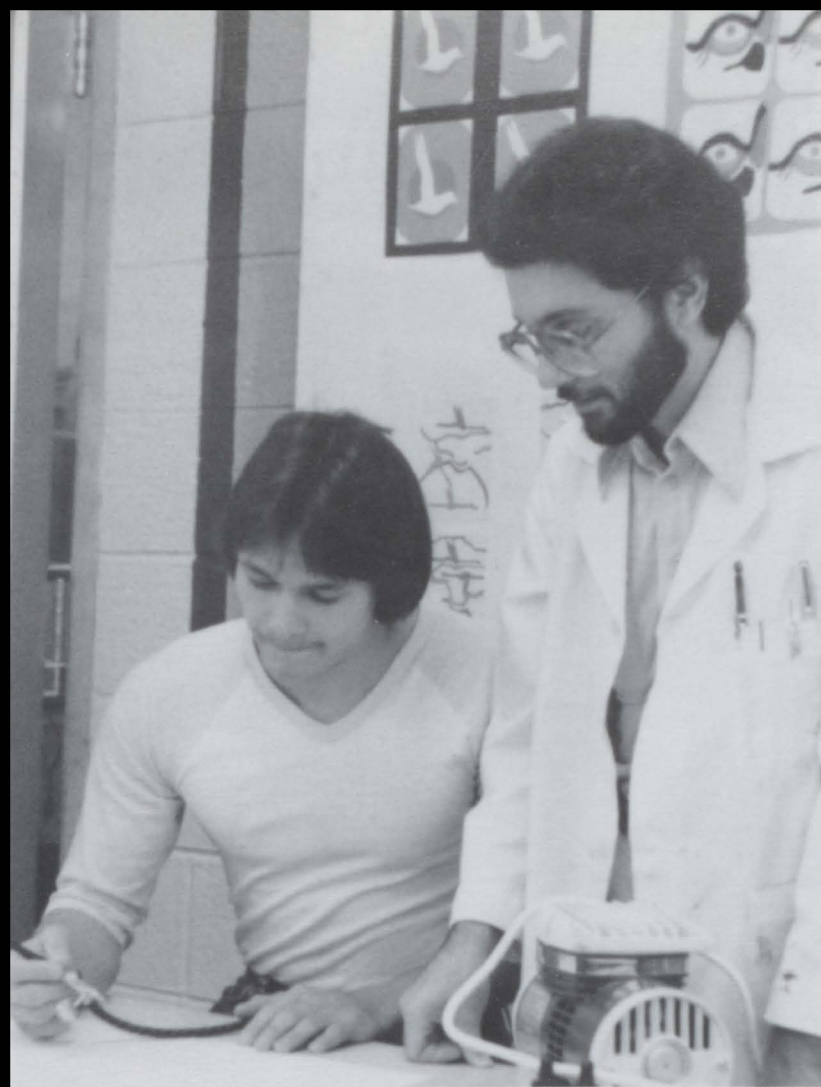

2.

1. M.C.H.S. night time janitors: Art Grabowski, Rick Furtah, Donna Wiswell, and Bob Duetsch take a break.
2. Transporting typewriters is one job Mr. Dave Green and Mr. Ray Shackett take care of.
3. Mr. Joe Cilluffo and John Piacentini work on air brushing techniques.
4. Tony Gemmette listens carefully while Mr. Joseph Irvin explains the floor plans of a new house.
5. Mr. Clayton Flemming shows Mike Birkholtz the correct way to use a compass.
6. Our school cooks take time to pose for the yearbook.

4.

*If students plan on moving into the industrial world, Mr. Flemming's drafting classes are a great deal of help. Students learn not only how to draw, but how to read mechanical drawings as well. His classes also develop individual thinking on the part of the student.*

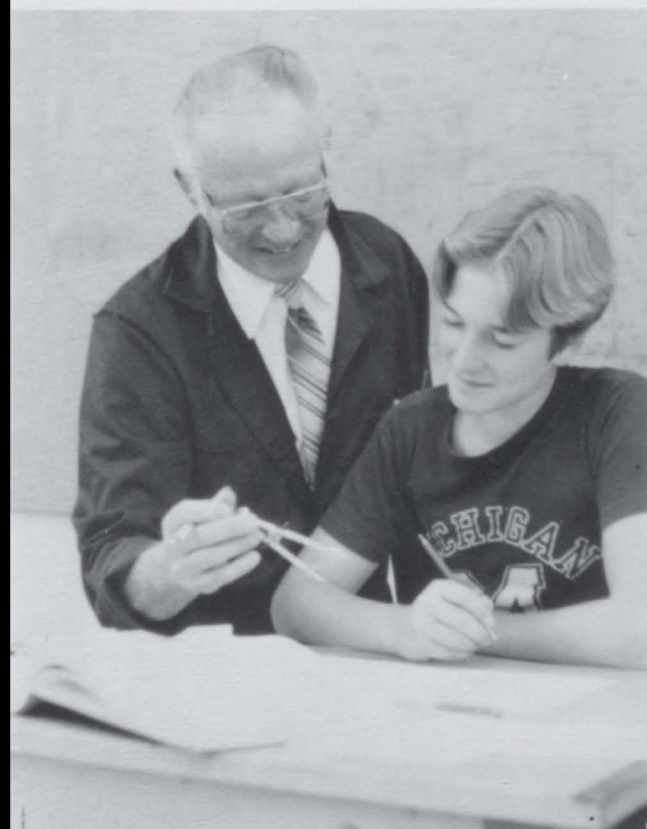

*One new class this year is Mr. Irvin's architectural drawing class. Students learn how to design and plan modern city residences.*

*In Mr. Cilluffo's art class, students experience projects such as silk screening, air brushing, and oil painting. Much of the art work of Marine City has been exhibited in art shows.*

*One of the best changes this year was the Canteen Catering system. Students were much happier with more choices of lunches at cheaper prices.*

*Mariners noticed a difference when school started, the whole school was painted! Who did this tremendous job? It was the day and night custodians. They also spend a lot of time sweeping the halls, keeping students warm, and making needed necessary repairs.*

3.

5.

6.

*Students in Mr. Bobowski's wood shop class learn many techniques in the building trade. Some of the class projects are a paper towel holder, match box holder, and a corner shelf. The advanced class has the opportunity to choose their own projects. Some of these include building desks, tables, lamps or shelves.*

*Metal shop, which is taught by Mr. DuBois allows students to learn how to do various metal works such as welding, casting and the basic workings of the drill press and the metal lathe.*

*Miss Bastian, director of the high school band, prepares students for performing in concerts and at half time shows during football season.*

*Chorus is becoming an important part of high school curriculum. Miss Schneider has helped put the chorus back into the spotlight by having them perform with the band.*

*Mrs. Ralston and Mr. Warken-tien lead the gym classes in their daily activities which include basketball, football and volleyball. Also this year swimming became another part of gym class activities. The students learn to swim the backstroke, diving and play water games.*

## The Activities

Taking an inside look at the activities at M.C.H.S. shows some reinstated programs for the 1982-83 school year. A few of these programs are an enlarged chorus, a new French class, and more dances. There also have been added a couple of student interest clubs, which are B.O.E.C. and High Adventure. These new programs along with the old ones, like Homecoming and the Prom, added to the M.C.H.S. schedule of events and happenings.

1.

The bleachers quickly filled with students anxiously awaiting the Homecoming events. President Joe Horn welcomed King Charlie, Queen Lori and their court.

After they were crowned, a short speech was made by both the King and Queen. The game ball and a good luck kiss were presented by Queen Lori to co-captains Mike Frank, Doug Royse and Jim Springborn.

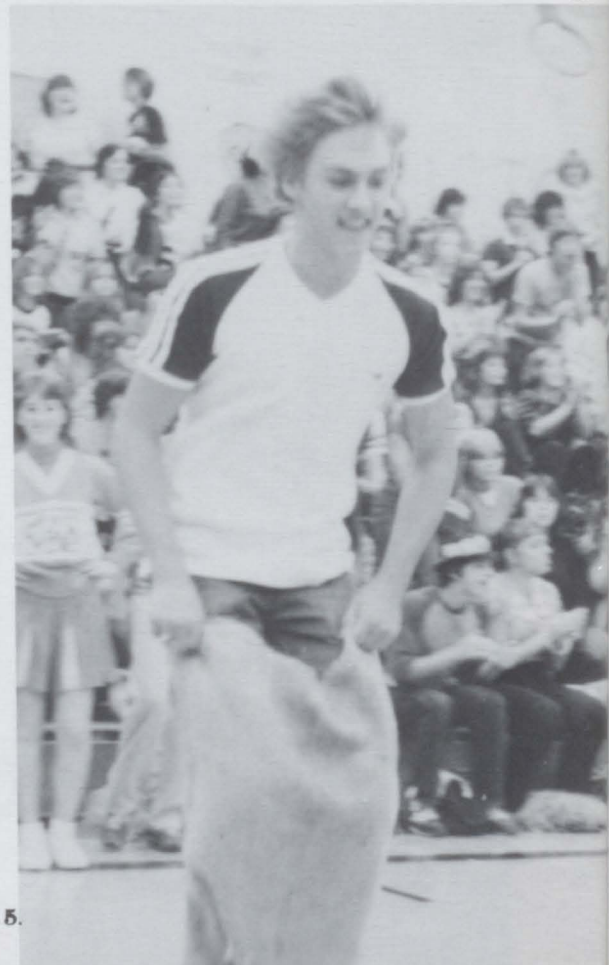

The cheerleaders took to the floor and did their skit featuring the song "Tomorrow" from the Broadway Musical "Annie". Annie was portrayed by Chris Flemming.

The games began, and after everything has been eaten, tugged on, jumped in and put on, the Seniors came out of a close race with the Juniors and won.

The Sophomores put up a good fight but couldn't keep up.

5. Vince Allen leaps to a victory (in the sack race) for the Seniors.
6. Steve Scharnweber and Teresa Connin help pull the Juniors in for a victory.

# Mariners Take an Inside

Mariner pride and tradition was upheld to the highest degree this year with the annual election of the Homecoming King and Queen.

The royalty every year is decided by the entire student body. The process is very long. First there is a preliminary vote that decides the finalists. Then they are announced. Next the finalists must be voted upon and the votes must be tallied again to decide the King and Queen. The King and Queen are announced at the pep assembly two weeks before the dance.

This year's King and Queen were Charlie Volkman and Lori Smith. Lori works at McDonalds and enjoys softball, basketball, snowmobiling, camping as well as the great outdoors. Charlie works on his dad's farm and enjoys football, baseball, hunting, and loves to spend time with his girlfriend.

Spirit week added life and excitement to the 1982 Homecoming. The week started off on Monday with zoo day. The sophomore class got off on the right track by bringing the most "animals" to school.

Tuesday 50's day kept the students rocking. Poodle skirts, greased down hair, and leather jackets were just a few of the sights. The juniors won, trailed by the seniors.

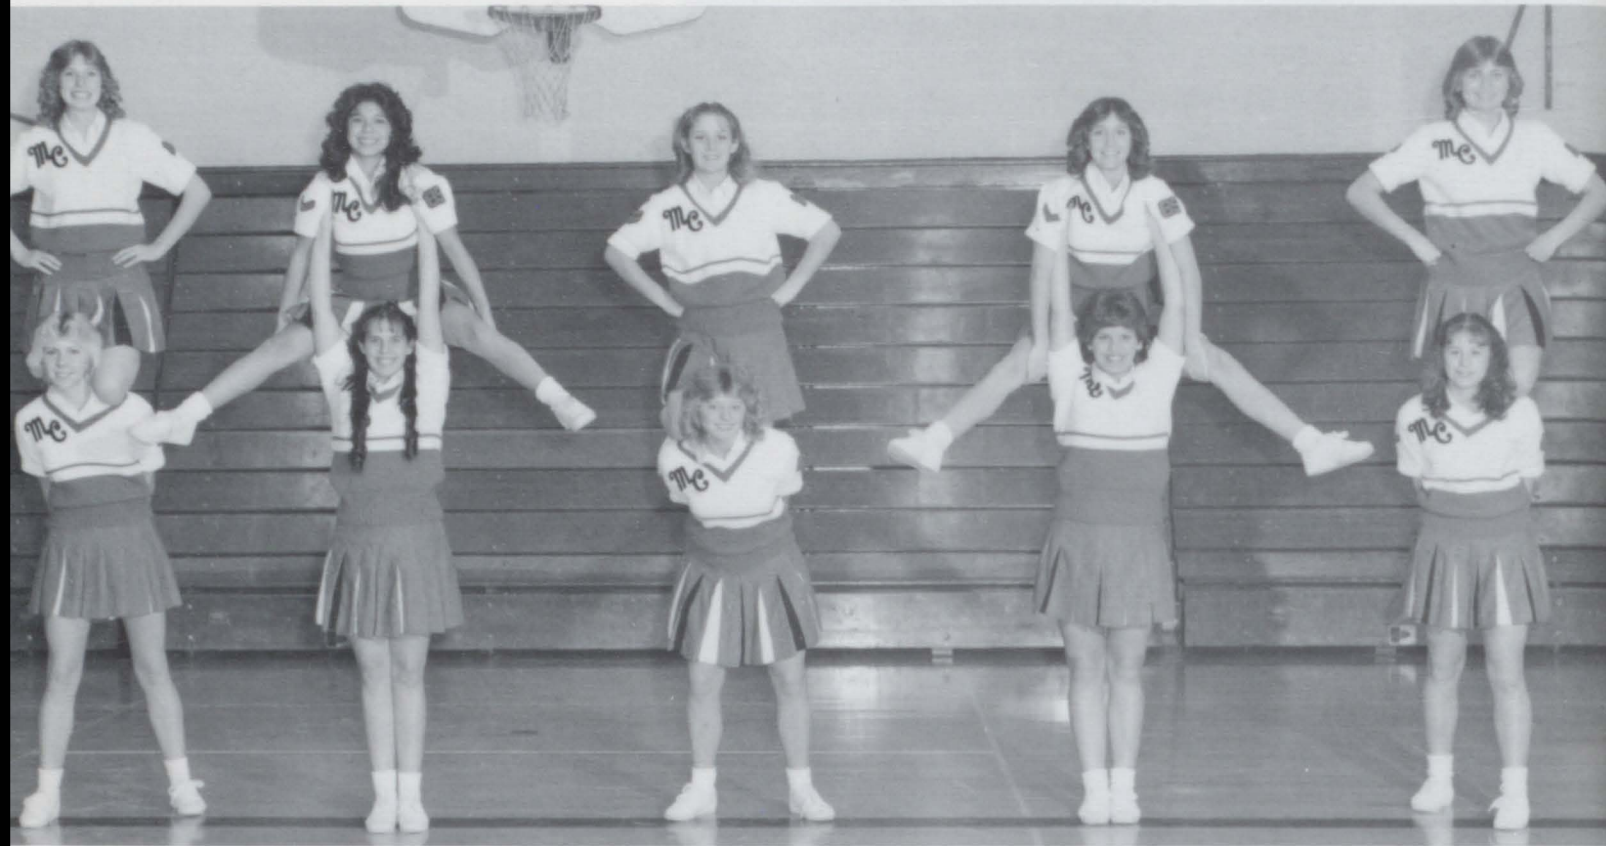

Wednesday was hat day. Students wore all sorts of hats from beanies to sombreros. Seniors came out ahead in the activity.

Thursday was punk rock and sweatsuit day. Students dressed as their favorite punk rockers or in their sweatsuits. The seniors were victorious once again.

Orange, black and button day was Friday. Students wore their school colors and spirit buttons. Seniors took the contest for their third win. The weeks events ended in a pep assembly where Queen Lori and King Charles were crowned. The over all winner of Spirit Week was the Senior Class.

# Team To Victory

2.

The 1982-83 varsity cheerleading squad got off to a great start this year. They spent a week at cheerleading camp, sponsored by Pep America Cheerleading Association

The same talent, enthusiasm, and spirit shown at camp, was present throughout the year. The cheerleaders sold spirit buttons, rooter tooters and made signs while the schools spirit grew. During the fall they cheered for the football team as well as for the girls basketball team.

They added life to the Homecoming Assembly with a skit done to the song "Tomorrow," from the hit Broadway show "Annie". Cris Flemming played Annie while the other cheerleaders portrayed a sad football team.

During basketball season they cheered the team to their victories as well as to their defeats. Pep assemblies and Pom Pom routines were also done by the squad.

Cheerleading is a lot of hard work and devotion and this years cheerleaders certainly proved it. With the help of their coach Mrs. Burmann they were very successful.

# J.V. Going Strong

1.

S.U.C.C.E.S.S.! That says it all for our J.V. cheerleaders this year. They did a great job cheering for the J.V. football and basketball teams as well as making signs and selling spirit buttons.

A pom-pom routine was done by the cheerleaders at the Crox-Lex basketball game to the new wave hit "You've got another thing coming."

Over the summer they spent four days at C.S.C. cheerleading camp at Eastern Michigan University and brought home one first and two second place ribbons for improvement.

Throughout the year, they added a great deal of life and sparkle to the sport seasons and helped the students get into the Mariner Spirit.

The Marine City High School Band has been an enjoyable source of entertainment for a number of years. From pep assemblies to halftime shows and parades, the band displays a unique spirit and dedication for the school it represents.

At the beginning of the school year, without delay, the band practices routines that are solely arranged by the director Miss Jean Bastian.

When marching season is over, the band retires to the band room to practice classical and pop music for later performances. These performances include the Christmas and Spring concerts, as well as concerts for elementary schools. There is also a concert held for and including the alumni of the band called the Pops concert.

5. The pep band helps to play the basketball team to a victory.

# Student Polititians

The Student Council is a representative group that works with the school staff giving the student body an edge in school politics. Each class elects four representatives in the spring. In order to get on the ballot, the students must obtain the signatures of twenty-five students, two teachers, and the principal.

Council members take requests from students who have complaints and suggestions pertaining to the school, and present these requests to the principal. The principal in turn represents the requests before the staff.

The Student Council has sponsored two dances, maintained the student activities board, and opened a snack bar for students to use before school.

3.

4.

6.

The National Honor Society is a group of hard working students who have achieved a grade point average of 3.3 or higher as a Junior or 3.25 as a Senior. Honor Society members have to work hard to maintain these high standards. Many have to give up their leisure time in order to have more study time.

In the spring the Honor Society elects their officers. These officers help the new members go through the induction ceremony. At the ceremony four candles are lit. These candles represent scholarship, leadership, service, and character, the Honor Society mottos.

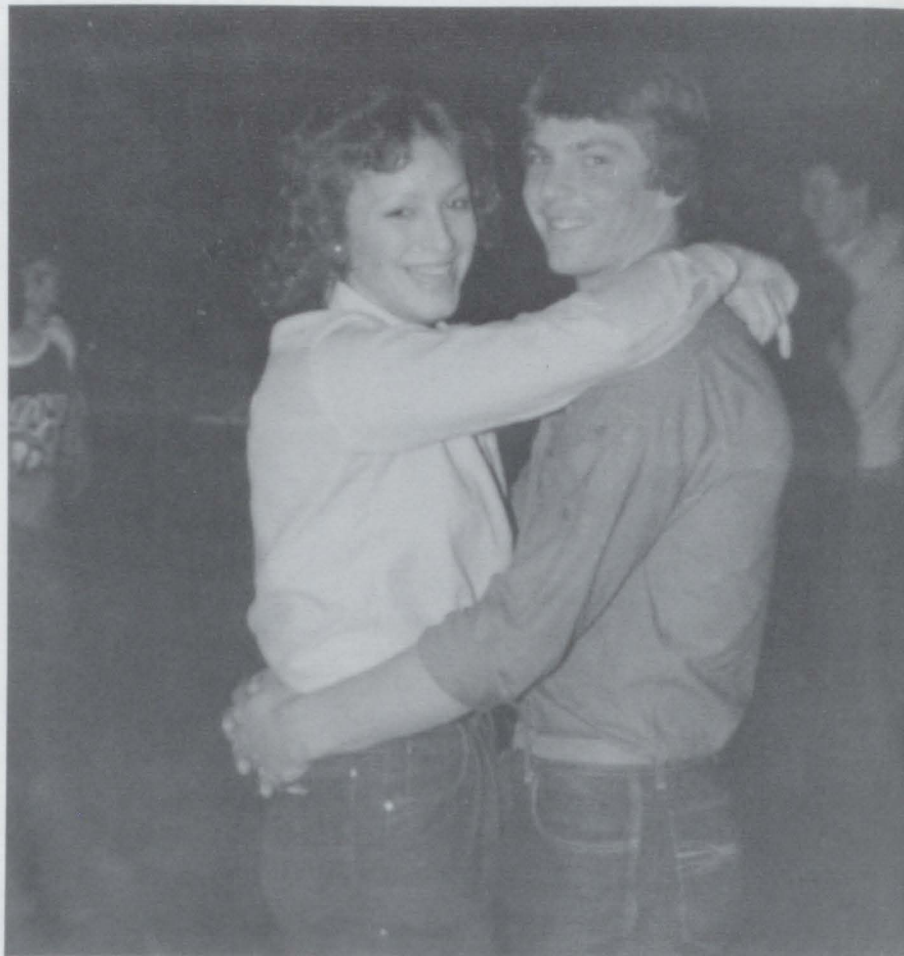

Another group of students who dedicate much of their time and effort are the members of the Log staff. Each member picks a topic he thinks would interest the schools students, and he carefully gathers enough information to write a good article. Once all the articles are done the paper has to be laid out and headlines are thought up. The paper is then printed up in the print shop, and distributed throughout the school.

This year dances played a larger part at M.C.H.S. than the last few years.

The dances started out with the Student Council sponsored Homecoming dance on October 2 featuring the band "Traxus". The stage was decorated in a Muppet Theme. Large silver letters read 1982 HOMECOMING. There were three casual dances following the Homecoming. Two were sponsored by the Student Council. The first featured local musicians in "The Proof" and the second featured "Almost Live". The Cheerleaders put on the annual sweetheart dance, and brought "Almost Live".

The "Best for Last" definitely described the Prom, a dinner dance which was hosted by the Junior class and featured the band "Ceyx". The Prom was held at the K of C hall in Marine City April 22.

The dances this year were fun for all and brought out inner spirit in those who chose to participate.

# Santa Drops in on M.C.

Christmas brought many activities to Marine City High this year. The annual Christmas parade through town, got everyone in the Christmas spirit. Snow King Charlie and Queen Sue rode through the parade accompanied by their court. The Marine City High School Band and the Varsity Cheerleaders were also in the parade. The band played Jingle Bells while the cheerleaders passed out candy canes to the children that were gathered along the street watching the parade.

A Christmas tree was put up by the Student Council in the courtyard for all the students to enjoy.

The day before vacations was full of fun. The Spanish classes celebrated a traditional Spanish Christmas and the Food and Nutrition class students invited their parents in for a Christmas party. All the food for the party was made by the students. All in all, Christmas at Mariner High brightened everyones holidays.

# Teacher Aides Make

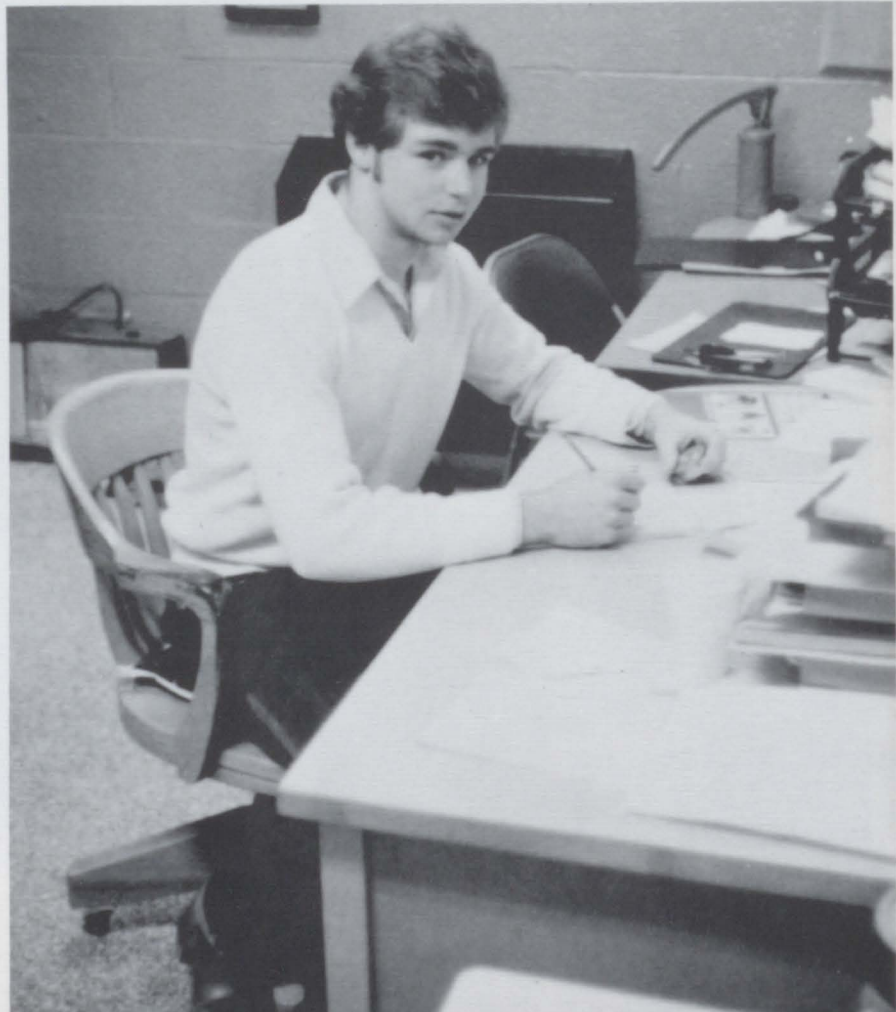

One of the most enjoyed and rewarding classes at M.C.H.S. is Teachers Aide. A student not only has little or no homework from this hour, but also has the opportunity to work with his favorite teacher. A Teachers Aide might spend his hour doing such things as, correcting papers, putting up bulletin boards, helping students with their work, or running errands. To be a Teachers Aide at M.C.H.S. you must be a senior and have good grades. Of course a teacher must be willing to accept you. A student who successfully completes a semester of being a Teachers Aide will receive one quarter credit towards graduation.

6. Sue Baker fails another student while she Aides for Mrs. Drews.

Drama is back, after a year off, and it is as big as ever.

The class was offered 7th hour last semester. The purpose of the class is to help students realize their potential in acting, and provide entertainment that all the students can enjoy.

The class did skits both in the classroom and on stage. To get the students in the acting mood, they first had to impersonate a student in the class. They eventually went on to bigger and better things such as soap operas.

The big event for the year was "Lights Out" a comedy-mystery. The story involves a young woman who is trying to sell a house that she inherited, finds that a prospective buyer who has disappeared is a imposter. Thrills and action mount as the mystery unravels.

Skill Center takes up three hours a day and is a credited class. The Skill Center has such courses as: Auto Body, Building Trades, Business Office Cluster, Food Services, General Merchandise, Health Care, and Welding. There are also contracted programs such as Cabinet Making.

The Center is open to all students enrolled in a St. Clair County High School. The courses are taught by St. Clair County employers. There are fifty-nine employers and ninety-nine students this year.

Job placement is also offered by the Center through the St. Clair County Interagency Placement System. Eleven-hundred jobs were listed last year which made the average sixty-four jobs per week offered.

# Student's Take An Interest In Outside Groups

Through Explorers, students have the opportunity to try different occupations. In the Blue Water area alone, there are such Explorers groups as Banking, Hospital, Law enforcement, Dental, and the Law Explorers. There are also explorer groups that do not deal with occupations. These groups are for sole purpose of the members enjoyment. Examples of these groups would be the High Adventure Explorers and the Sailing Explorers.

Many students ask themselves each day the age old question of "What will I do tonight". For many, the answer is a school sports team or a part time job. But others are still left with nothing to do. This is where groups like B.O.E.C., Campus Life, and many different branches of explorers come in.

In B.O.E.C. members are encouraged to develop occupational skills, knowledges, and ability through participation in educational, vocational, civic, recreational and social activities. In short, B.O.E.C. provides opportunities for learning experience based on the chapter members interests.

Over 1,700 high schools in rural, suburban, and city areas have Campus Life clubs. Each club is made up of students from a particular high school. One of Campus Life's main goals is to help members deal with problems they may face in society.

Through Explorers, students have the opportunity to try different occupations. In the Blue Water area alone, there are such Explorer groups as Banking, Hospital, Law Enforcement, Dental, and the Law Explorers. There are also explorer groups that do not deal with occupations. These groups are for sole purpose of the members enjoyment. Examples of these groups would be the High Adventure Explorers and the Sailing Explorers.

French and Spanish are the two languages offered in the Fine Arts department, in the college prep program at M.C.H.S.

In learning a foreign language, there is a lot of memory work which takes long hours of study. Most of this work is put into vocabulary words and the rest into the proper usage of the words in sentences and phrases. Students also spend time giving presentations to the class.

But is it not all work and no play in these classes. Both classes celebrate certain holidays as they are celebrated in the country studied. "Food Parties" are also held. Each student brings a food to share with the rest of the class.

French class is a new addition to the Fine Arts department at M.C.H.S. It is taught by Miss Kathy Gusdavis. Mrs. Jan Hermenson the Spanish teacher, is also a new member of the M.C.H.S. staff.

## The Competitors

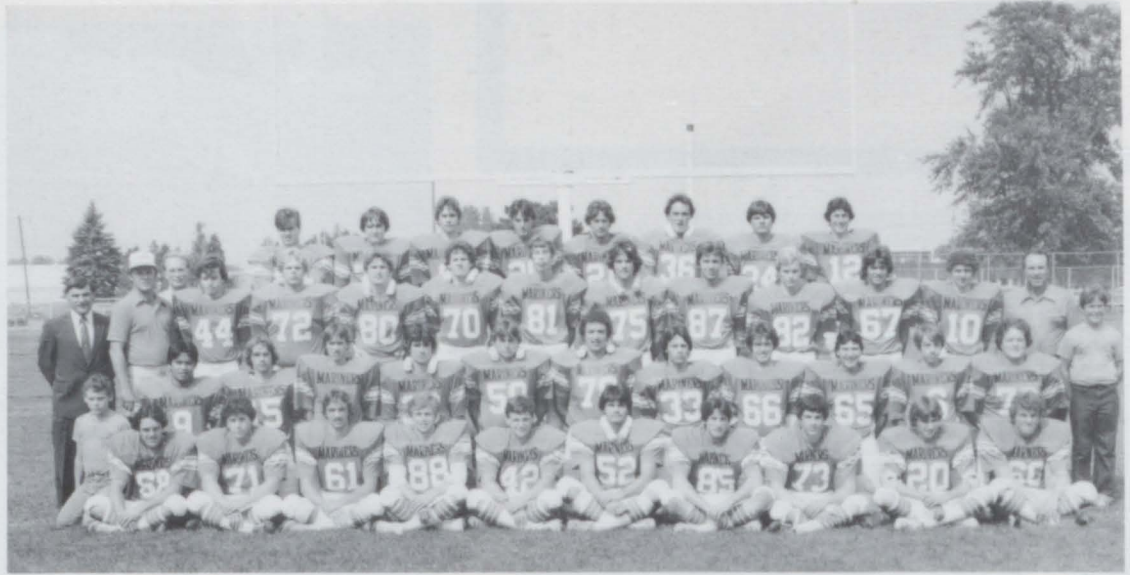

Athletics plays an important part of Marine City High Schools schedule of happenings. Taking an inside look at these athletics shows people who get along with others easily. Athletics, to some competitors, is a way of letting out emotions and teaching individuals how to trust others. It is also a way to meet people from other schools. To the fans, the games offer an opportunity to demonstrate their spirit & pride.

# Weak Offense Low Scoring Hurts Mariners

1.

The season started out great with the Varsity team winning their first game against Lutheran East, 21-20. The defense then faced a tough St. Clair team, but seemed the team wasn't ready and lost 0-14.

The team was all excited for the game against Richmond. But the offense had a tough time against the Blue Devils defense, and came up short 6-19. The Mariners bounced back to defeat South Lake 21-6.

The Varsity team had a tough task against Marysville. The Viking offense was just too good for the Mariner defense.

However, the Vikings outscored the Mariners 3-42.

After the tough loss, the Varsity had Ortonville Brandon to play. The only score was made by John Piacintini, after a 3 yard run. Jim Springborn kicked the extra point, but the Mariners felt defeat. The final score was 7-34.

The next game on the roster for the Mariners was Algonac, and nothing seemed to go right. The defense seemed to be worn down by the Algonac offense. After the hard played game, the Varsity squad fell short 0-6. The defense then faced a tough team, Cros-Lex. They were trounced through the whole game 0-28.

# Strong Start Mariners Fall Short

3.

4.

Mariners fall short. The Marine City J.V. football team finished an impressive season with 5 and 3 record. The Mariners started out very strong, winning five games in a row but dropped the final three. The first victory came against Lutheran East 26-14, next came St. Clair with a close 14-12 win. The team then went on for two more, beating Richmond 8 to 0 followed by South Lake 21-8. The last victory came against Algonac easily with a 26 to 8 score. Steve Gunderson put in an outstanding performance passing for 109 yards and 3 touchdowns. On the receiving end was Marc Rhodes, Larry Cummins, and Gary Mabry, who also ran in a two point conversion. Brock Haehnle added the other touchdown by rushing. The Mariners 5 game winning streak ended with a tough 0 to 6 loss to Crox-Lex. Then came a heartbreaker against Imlay City 6 to 7. Mabry ran for the TD, and Gunderson threw for 123 yds. The final game was lost as Marysville dumped the J.V. 0 to 41.

The Mariners got off to a slow start after losing their first two games. They picked up 2 league victories over Algonac and Cros-Lex, 47-34 and 45-25, respectively. Despite the high scoring of Cathy Chartier the girls lost the next 5 games and at the halfway mark held a 2-7 record.

A 24 point performance by Cathy Chartier, against Algonac, broke the draught, and the Mariners had another victory in the SCAL. Two more losses to Capac and Cros-Lex by one point came before another league victory over Imlay City. Although the Mariners were not out of the league race yet, the next 3 losses to Marysville, St. Clair and Richmond would kill all hopes of a SCAL Championship. They finished out the season with 2 victories over Chippewa Valley and Yale, 46-35 and 48-38, respectively, before the season ending tournament loss to L'anse Creuse.

Cathy Chartier led the team in rebounding, assists, free throw percentage, and scoring. Renee Burton led the team in field goal percentage, Kim Morse was team leader with 71 steals and Gwen King was second in rebounding, field goal percentage, and scoring.

The girls JV basketball team only posted a 4-14 record, but they gained much experience throughout the season. The majority of the basketball team were freshmen, and there were only two sophomores.

Sophomore, Becky Burton missed most of the season due to a broken arm. Her classmate Leann Zweng was the top scorer and grabbed many rebounds for the Mariners.

The first victory came against Algonac with the score 18-16. The next win came against Capac with the high score of 39-33. Freshman, Ruth Burmann was the high scorer with 15 points. They went on for another victory, 26-17, against Imlay City. Leann Zweng battled for rebounds and put in 13 points. The girls finished the season on a winning note beating the Yale Bulldogs 32-23.

## State Meet Troubles

# Mariners Trot to Victory

1.

2.

This year's Equestrian meets proved that the Mariners ride into victory. Their three meet wins brought them into the State Finals in which they placed third.

At the first meet the Mariners dominated as they jumped past every team at Brown City Park. Marine City placed 1st beating seven other teams with a total of 100 points. Ray Warner placed first for the Mariners with 17 points. The second meet was captured by the Mariners once again. Marine City finished 1st again with a total of 146 points. Sandy Ski placed 1st for Marine City with 20 points. The Mariners slid past Port Huron in the third meet to finish 1st once again with a total of 102 points.

Marine City qualified for the State Finals, but because of a disqualification they finished third behind Clarkston and South Lyon. Jeri Lynn Hart captured first place for Marine City with 24 points.

The Marine City Equestrian team is undefeated in the Class A division League Competition and has been for the last three years.

As fall came to Marine City, the golfers were already practicing and getting ready for their season to begin. Knowing they didn't have much experience, the team was forced to learn on a day-to-day basis. Coach Gunderson knew that luck would play an important role in this year's golf season. As the season started the luck was bad and the team lost their first eight matches before coming to their only victory in three years. The victory gave a boost to the team but their luck went as fast as it came as they lost their last match.

Coach Gunderson hopes that next year's team will have learned a great deal from this year's season and has confidence they will use that experience.

2.

Although the 1982 Cross-Country team didn't win a meet, in fact the Mariners have not won a meet in the past two years they did improve vastly.

When all six members reported to practice back in August in very poor shape, Coach Dunker knew he had to get his team in shape for their first meet which was one week away. The Mariners went through very rough practices which included a five to eight mile run every day.

Coach Dunker selected Tom Kreusel as Captain and Larry Edwards as M.V.P.

Following the sun and fun of summer break comes school and with the start of school comes the fall sport season.

One of the many Mariner fall teams is Girls Varsity Basketball which was one that didn't do as well as expected finishing with a 6-12 record. A high point of the season was senior forward Cathy Chartier who gained 2nd year honors and the All League, All Area first team.

The J.V. girls basketball didn't put a very good win-loss record but the team gained experience. Being mostly a freshmen team, they will be able to use that experience next year.

Varsity Football was another team that didn't do as well as expected. Tri-captain Mike Frank was one of four players who attained All League, All Area Honors. Mike also was awarded an All Metro East selection for his play.

The J.V. Football team started out with a bang, winning their first five games, but faltered and lost their next three games.

Golf was a team with little experience having only one player returning from last year's team. The golfers did show a good team effort and won their first and only win for Marine City in three years.

Cross Country in its second season since being reinstated at Marine City, had a disappointing record winning no meets. Tom Kruesel was voted the captain.

# Varsity Takes Third

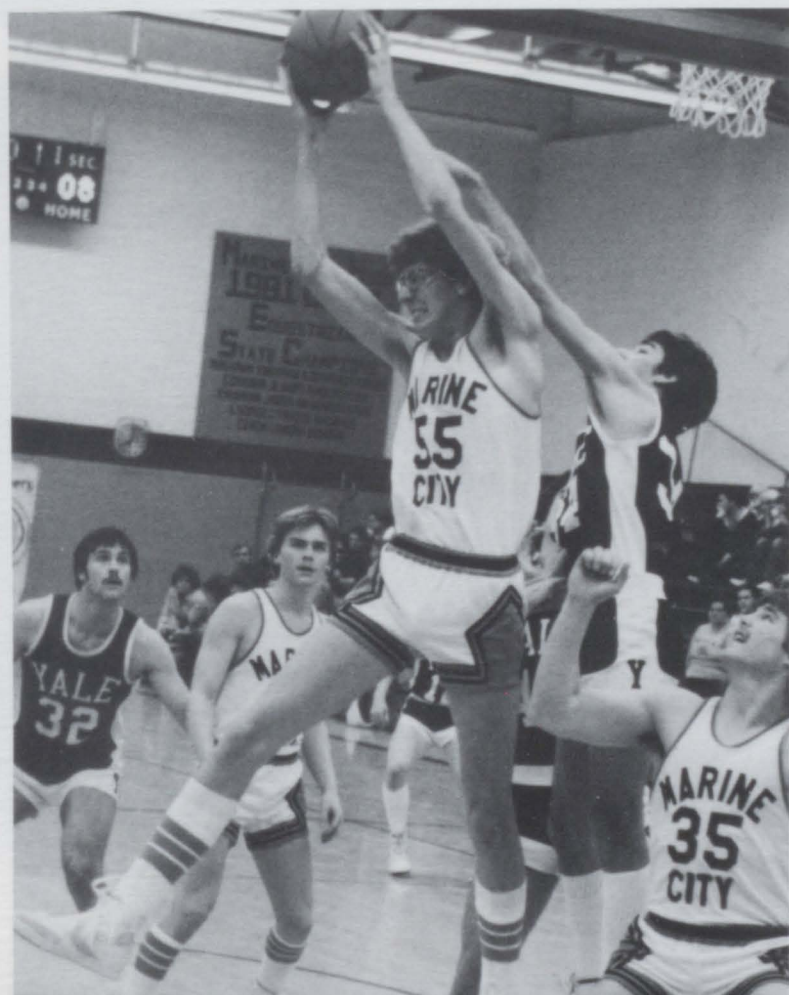

3.

The Marine City Varsity Boys Cagers ran off one of their best seasons in a number of years, finishing with a 14-8 mark.

The Mariners, who were rated number 10 in the Times Herald pre-season poll, had to face the number one rated New Haven Rockets opening night. The Mariners upset the top ranked Rockets 68-65 and continued to run off 3 more victories. The Cagers picked up their first loss in a highly emotional game against fierce rival, St. Clair, 54-50.

Another one of the season highlights was when the Mariners made their first telecast on cable T.V. against the Vikings of Marysville. The Mariners fell short by two points 59-57 in the closing seconds.

The Cagers finished third in the S.C.A.L., and made it to the District Finals by gaining revenge in a 64-42 blowout over St. Clair. In the finals against Crox-Lex, the Mariners set the pace throughout the game and chances for a district title were hopeful. However, a fourth quarter scoring spree by the Pioneers out did the Mariners in the final seconds, 42-34.

# Mariners Finish Strong

3.

Marine City's JV Basketball did not have too good of a season. They posted a 5-15 record, but the Mariners had a strong finish winning their last 3 out of 4 games.

The first win was against Algonac, 28-56. Brian Filo had 18 pts. Then came home town rival Holy Cross. They were routed 31-66; Dan Thomas was the top scorer with 16 pts. Finally after many losses, the Mariners had a winning streak. It started with Algonac, defeating them once again 31-54. Next in line was Capac, winning by a small margin 50-51. The Mariners followed up with their last victory against Cros-Lex, 39-36.

Some individual highlights of the season were: Dan Thomas with 135 pts. and 139 rebounds, Steve Gunderson with 120 pts., and Brock Haehnle with 104 rebounds.

The Marine City Wrestling Team improved this year under the direction of first year coaching of Mr. Gerald Pasquantonio.

The Mariners finished third in the S.C.A.L. with a 4-2 record overall. Leading the Matmen were Gary Mabry and Joe Messina. Mabry, who compiled a 31-10 record in the 155 weight class and took a first place at the Troy-Athens Invitational also competed in the regionals. Messina finished the season with a 28-12 in the 132 weight class in which he was never pinned, and had the quickest pin, 15 seconds.

Other members of the team receiving awards were Dan Davenport who was named Most Improved and Best Practice Wrestler Andy Ausmus who was selected for the Sportsmanship Award and his brother Alan was picked as Best Freshman Prospect.

One of the Mariners more exciting matches of the year was against arch-rival St. Clair. This was also Parents Night. Pins by Gary Mabry, Larry Edwards, and Senior Mike McGregor fired up the matmen as they blow out the Saints 42-24.

6.

Marine City's Varsity Volleyball team had a productive and successful season.

Coach Doreen Grote said "she had alot of talent on the squad and that's why we had a great record."

After the shock of Cathy Chartier's injury, the varsity team stuck together and won the Capac tournament. The girls defeated Marlette 15-0, Lutheran North 15-9, and Marysville 15-6.

There weren't any stand out's all season, but people like Gwen King and Mary Beth Zweng came through for the squad when they needed some important points. Tonda Kammer had the highest point average per game 8.5 and Cathy Chartier was next in line with 6.5 points per game.

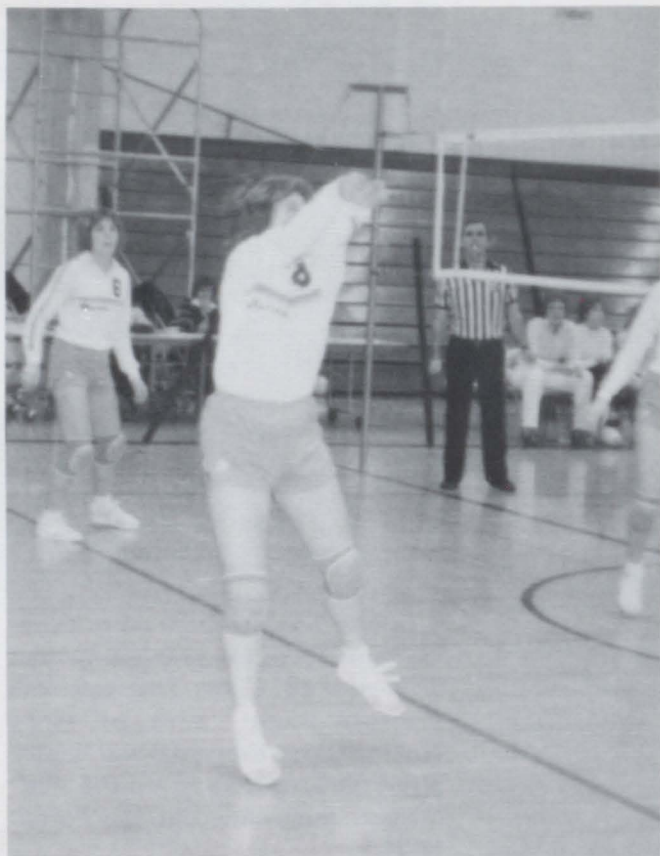

The next invitational game was St. Clair. Being Parents Night everyone wanted to play well. The Mariners over came the pressure and defeated St. Clair 15-10. In the District Tournaments, Marine City played well against the S.C.A.L. Champions, Richmond. The Mariners, at one point of the game, led Richmond 11-5. But the Blue Devils came scoring back to win 15-11.

Coach Ralston came into practice only to see 3 former volleyball players and 10 new faces. After just a few practices Coach Ralston said she would be happy if her team would win half their games in the tough S.C.A.L.

Despite the grim out look the Mariners started the season with a victory over Capac. After 4 games the girls were batting 500. The Mariners would then raleigh for 3 league victories including a victory over Richmond which blemished the Blue Devils perfect record. Still in their winning streak, the Mariners traveled to Capac to place second in the Capac Volleyball Tournament. The girls cooled off from their hot pace to win just 2 of their last 6 games, ending their season with a 15-10, 17-15, victory over Imlay City. The Mariners met their early season goal by posting an 8-7 over-all record and a 6-4 S.C.A.L. finish.

## Swimmers Gain Experience

Competitive swimming was introduced for the first time this year at Marine City High School. In starting a new program such as swimming, Marine City had a lot of extra hard work ahead of them. The team had to learn swimming techniques, training methods and the self-discipline it takes to be a good swimmer.

Even though they did not win a meet, Coach Rick Bobowski thought his team gained valuable experience for future competition. Coach Bobowski's main goal was improvement to be shown at every meet. He feels this goal was achieved.

Chuck Anderson was a sophomore surprise in the diving competition, taking more 1st places than anyone on the team. He also won the first S.C.A.L. League Championship in diving.

With the improvements during the year and the experience gained, next years swimmers look promising.

## Tough Schedules

# Mariners Place Well

Tough teams and strong finishes surprised everybody as the Mariner teams place high in winter sports.

The Varsity Boy's Basketball team had one of its best seasons, winning 14 and losing 8. Jeff Koch had special mention All State and special mention All Metro. Koch also was first team All League and All Area. In addition, Koch was selected Most Valuable and Most Improved by his teammates.

The J.V. basketball team was led by Dan Thomas, who was selected team's Most Valuable Player. Thomas had 160 points and 159 rebounds for the year. Brock Haehnle and Steve Gunderson contributed to the scoring with 124 and 126 points.

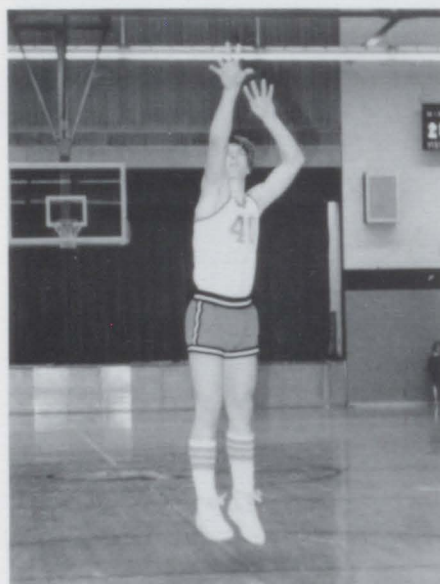

The Swim Team had some individuals who showed a great deal of potential during the year. Karen Meldrum and Larry Harris were the co-captains, who both posted the best times in their respective events. Meldrum was named Most Valuable Swimmer and Michele Vandenboom was named Most Dedicated.

The Varsity Volleyball Team had one of its best season's ever. The Mariners took 2nd Place in the league. In addition, they also won the Capac Tournament. The team was led by Gwen King and LeAnn Zweng. King was voted by her teammates as Most Valuable, and was selected Honorable Mention All League. Karen Madaj was named by her teammates as Most Spirited. Marybeth Zweng was 2nd team All Area and Cathy Chartier was named 1st team All League.

The J.V. Volleyball Team had a much better season than expected due to the consistent serving of Ruth Burmann and Becky Burton. The Mariners also captured 2nd Place in the Capac Volleyball Tournament.

The Marine City Varsity Baseball team had a slow start losing the opener to Lanse Creuse 10-0. They turned around to defeat St. Clair 8-3. The Mariners under the supervision of first year varsity coach Glen Terbush, came back to win seven out of the next twelve league games. This record earned them 3rd place in the S.C.A.L.

Kevin Kammer, a sophomore, started catching most of the year, returned for another successful season at the plate. Marine City has a strong pitching staff coming this year including three left handers and one right hander. The returning pitchers are Dale Uppler, Steve Griffor, Kevin Ameel, and Rob Phillips. Kevin Ameel earned all League Mention last year.

The Underclassmen received much needed experience for the upcoming years.

The 1982 varsity softball team posted a 9-9 regular season record. Coach Ralston said, "I was very pleased with the teams attitude and surprised with their over-all performance." The Mariners were sparked by team captain Cathy Chartier. She led the league with a .510 batting average and 7 home runs. In addition she pitched one no hit ball game.

The Mariners opened the season with a 12-0 loss to Marysville. Despite the slow start, they came right back shutting out St. Clair 6-0. Two non-conference losses to Port Huron Northern slowed the Mariners. Things were looking down and an 11-3 loss to Richmond put the season in jeopardy. Then the Mariners picked up back to back victories against Imlay City and Holy Cross by scoring late inning runs. A close loss to Algonac was followed by 4 straight victories over Capac, Cros-Lex, Imlay City, and Armada, before a 12-1 loss to Marysville. Of the five remaining ball games, the Mariners managed one victory over Cros-Lex to finish the regular season with a 9-9 record.

For the second year in a row, the Mariners failed to overcome North Branch in District Tournaments and finished the season with a 9-10 overall record.

The Marine City Track team had an impressive season this year. They started off slow by dropping their first two meets, the first one by a few points and the second a relay disqualification. That did not stop the Mariners as they went on to win the next 5 out of 7 dual meets.

The deciding contest of the season came when Richmond showed up in Mariner country. The Blue Devils chances for 2nd place alone was literally dampened as the Mariners came out on top. The meet was decided after both teams came back from a half hour rain delay. The mile relay team came up with a major victory, to overcome Richmond by two points. The members consisted of Mike Frank, Donald Atkison, Dennis Manter, and alumnus Bill Musial. Their winning time was 3.32. Another individual highlight was turned in by Todd Haehnle with a school record breaking discus throw of 141 feet and 4 inches. In addition he just missed going to state meet by 1 place. Doug Royse was the shot-put specialist for Marine City consistently tossing it in the 40 foot range. His highest mark for the year was 47 feet and 8 inches. This qualified him for the Times Herald Meet of Champions. The two main sprinters for the Mariners were John Piacentini and Brian Filo who both ran the hundred yard dash turning in times of 10.6 and 10.7.

The Marine City girls track team went through one of their worst seasons in a few years but there were a few bright spots.

The Mariners were led by junior Kim Morse who qualified and competed in the state meet and finished ninth in the long jump. Morse was also the leading point getter in "82" with 160, by competing in the 100, 220, 440 and mile relay during the regular season.

Sue Baker was another bright spot for the Mariners as she contributed to the cause by competing in the high jump, 100, 220 and 440 relay. She also was the second leading point getter with 100 points.

Coach Rombach and Coach Goulding are looking forward to the return of Lori Boulter, Collene Kaufman and Michelle Vandenoorn who should give the Mariners strength in the shot put and discus events.

The Mariners also received quite a lot of help in the half mile event from junior Ruth Essinger.

The snow cleared and the Mariners took to the fields. The Varsity baseball team had a 6-11 season, but the record was deceiving.

They played some really good games, but at the end they fell short. The team depended on Steve Griffor for his pitching talent. He lead the league in strike outs. Kevin Kammer threw out a lot of base runners, while he was playing catcher.

The girls Varsity softball team improved over the previous years. Cathy Chartier had the most home-runs in the S.C.A.L.. She lead the league with seven homeruns. Chartier also made first team in the regionals and first team in the league. Gwen King was a good pitcher and usually switched off and on with Chartier in the pitching dept. The team depended on Sheila Robb for her hitting talent.

Boys track took second place in the league, but the team didn't win a lot of meets out of the S.C.A.L.

Todd Haehnle won the league championship in the discus event. Most of the shot put events were won by Doug Royse. Royse was undefeated against teams out of the S.C.A.L. Mike Frank ran the half mile. Frank's best time of the year was 2.02. He was also involved in the mile relay.

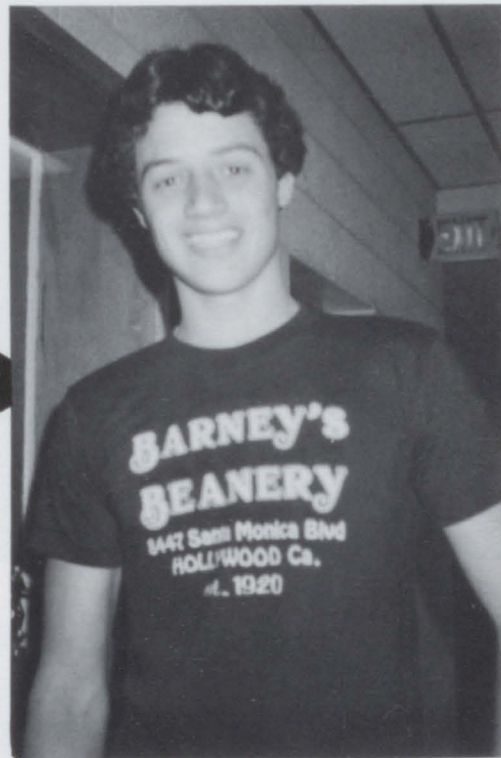

Girls track didn't do well in the season. Most of the points were made in the field events. Lori Bourlier took a lot of places in the shot put and she was good in the discus event. Ruth Essinger didn't take a lot of first places, but usually placed in the mile event.

## The Individuals

Taking an inside look at the Underclassmen will show people who are all different in size, shape, and looks but these people all have one thing in common – they are Mariners. This group of people are the ones who put on Homecoming and the Prom and many other very important projects that make life as a Senior an easy one. The Underclassmen will always be an essential part of M.C.H.S.

Another spirit week came, and the sophomores showed their stuff. The sophomores started out Homecoming by winning Monday's zoo day. We didn't do so well against the Seniors, when the 50's day came.

On hat day we improved by beating out the juniors and placed second. As the week came to an end, we sophomores played very well.

When it was time for the float building contest, we sophomores did very well, for first time building a float. We had fun making it as did all through-out our first Homecoming.

Another decision was set upon us sophomores when we had to order our class rings.

We had many different kinds of metals to choose from: white gold, gold, and celestium as well as the different kinds of stones like diamonds, black onyxes, mother of pearl, and the traditional birthstones. Another feature we could have added was our initials encrusted in the top of the stone.

One of the changes for us sophomores was the responsibilities of electing class officers. The decision was tough, but finally we choose President, Jeanine Lyszczyk; Vice President, Abel Rodriguez; Secretary, Cindy Kongabel; and Treasurer, Angela Flemming.

Another big responsibility was decorating the stage for Homecoming.

To raise money for the different activities during the year, we worked at the concession stand at some of the home basketball games.

This year during spirit week we Juniors went up and down the spirit thermometer. We ended up 2nd over all.

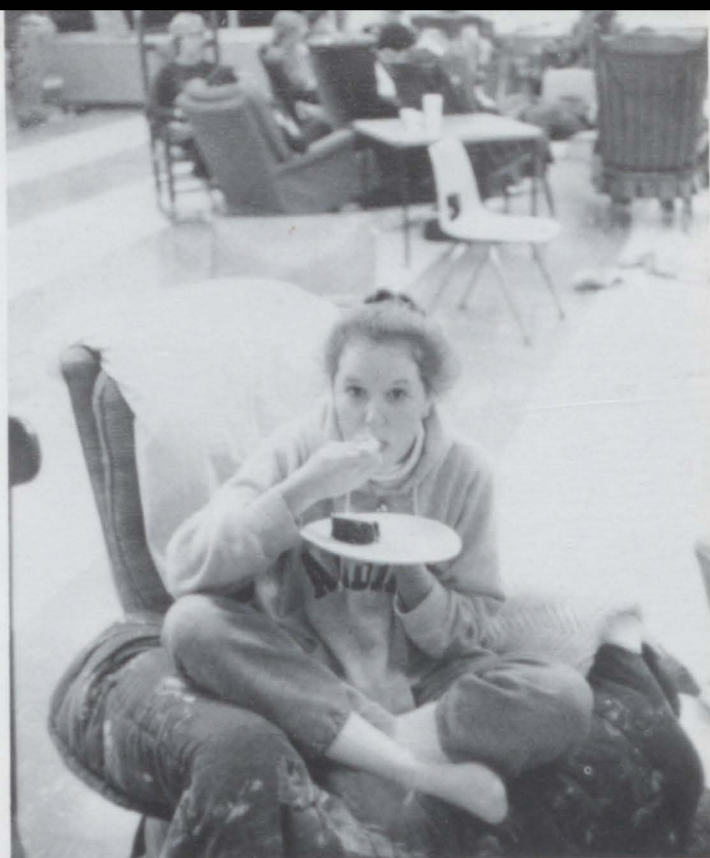

We did a better job on our float this year than last and it payed off. Miss Piggy and crew came in first place.

Homecoming was a great success for us. The week was fun, the band was fine and the dance was great. It was another terrific homecoming at Marine City High School.

Jackie Owens and Gwen King can relate to rocking during the annual 1982 rock-a-thon fund raiser.

A startled Angie Beattie eats comfortably at the rock-a-thon.

Every year for the past three years the junior class came up with the idea of rocking in rocking chairs for fifteen hours to raise money for the Junior-Senior prom.

The rockers came up with ideas to pass the time away. Low and behold, in came T.V.'s, stereos, cards, games and tons of pop and chips. Pillows, blankets and comforters were used to make the rock-a-thon more like home.

The rock-o-thon was held during parent/teachers conferences. Mrs. Ralston, the junior class sponsor, organized and watched over the event.

A jar was placed in the middle of the cafeteria on a table for any parent wishing to donate money towards the prom.

Everyone had a good time, and we Juniors got to know our classmates better.

The Muppets Show was the theme for the 1982 Homecoming Floats. We the Junior class got together and worked hard and diligently on our float. It consisted of Miss Piggy, Kermit and the band. The judges thought our float was so well constructed, they awarded us first place.

In the fall we were entertained with the P.S.A.T. and the A.C.T. test. We sweated over the test for three hours and our fingers were really tired from filling in so many circles.

We had alot of fun making the float and we worked hard on our test. With these events taking place it made our Junior year much more memorable.

Miss Piggy and the rest of the gang sing their way to first place.

## Leaders of the Class

After being Sophomores for so long it was hard to believe that we were finally Juniors. We had an advantage over the Sophomores because we knew where all the classrooms were. On the first day of school we went into the gym with the Seniors and new Sophomores to get our new schedules. When we saw what our classes were going to be, the moaning and groaning started. "Why did I get that teacher again?" "I never signed up for that class."

Our first major decision as Juniors came a couple of weeks later. It was time to elect the class officers who would lead us through the year.

Lisa Horn was chosen class President and to assist her in the leadership position was Sheri Fuller as Vice President. Keeping notes was the job of secretary Jeannie Wesley, while Nancy VanSlambrouck took care of the money.

The years have gone by so fast. We can all recall the times when we all wished we were out of school and graduated. Now it's a scary feeling. We have a lot of decisions to make and a lot of pressure on our shoulders. Mom and Dad want us to go to college and the Army and Navy want us to join. We'll keep thinking and striving to be number one.

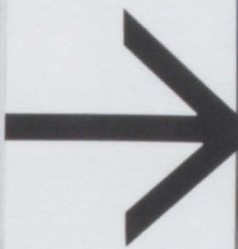

## The Graduates

*The life of a M.C.H.S. Senior is as fun and exciting as any individual wants it to be. Taking a look into the life of a Senior will show persons who are always making decisions on everything from what classes to take to whether or not they should get up in the morning.*

*As Graduation came, even more decisions had to be made. Furthering their education at college was the choice of many, while others decided to find jobs. All will work at achieving their goals.*

# The Best of Homecoming

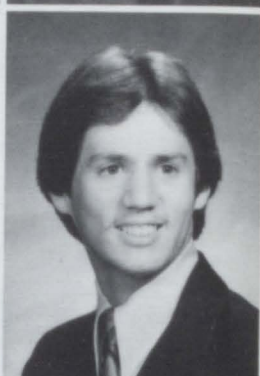

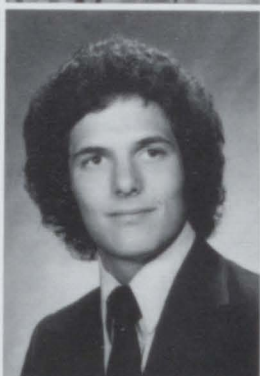

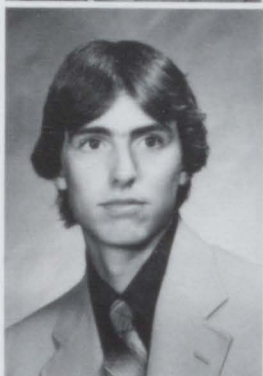

Homecoming was a night to remember for Senior Princess Cheryl Burtraw and Senior Prince Doug Bradshaw.

Our seniority and experience showed during Spirit Week. We Seniors proved that we had more spirit by winning three out of five days. We Seniors won Punk Rock Day, Hat and Button Day, and Orange and Black Day. Our spirit thermometer was getting hotter every day. After the contests during the assembly were over, no one had any doubt who had the most spirit.

With our selections of Lori Smith as Queen, Chuck Volkman as King, Cheryl Burtraw and Stephanie Carrier as Princesses, and Doug Bradshaw and Kevin Zimmerman as Princes, how could we lose.

Homecoming was just what we needed to get our rowdiness rolling. It ended sooner than we Seniors wanted it to, but our rowdiness remained throughout the year.

# The 1982 Senior Float Leaps Into Last Place

We Seniors had a difficult time gathering ideas to build a number one float. With only two days left before the float competition, we still did not know what we were going to construct. Since we couldn't decide on one idea, we used everyone's suggestions and built what we called "Use Your Imagination."

Our Float parties were held in Cindy Herbert's barn. We were lucky not to get raided although we did put in our share of raiding other parties in hopes of lessening the competition.

Judging day arrived, and on the way to the field some of the decorations fell down. With the help of a few nails and a hammer the float was good as new before the judges got a look at it. We Seniors felt lucky to receive 3rd place considering how our float had flopped.

## Our Officers Are Looking Good

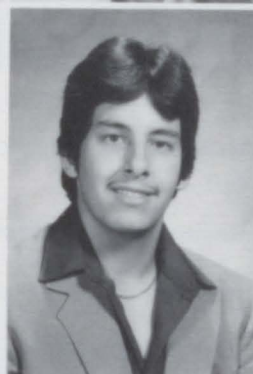

Mary Kreusel shows us how to act in drama class.

This year we Seniors elected four very reliable students as our class officers. We voted Mary Kruesel, President; Jeff Pelath, Vice President; Karen Gramer, Secretary, and Stephanie Carrier, Treasurer.

Taking a look inside at the duties of our class officers showed us that it was not an easy job. Planning Homecoming, reviewing graduation announcements, meeting with ideas on class colors, motto, song, theme, flower, and holding elections were a few of the tasks taken care of by our officers.

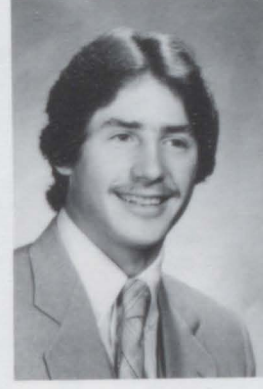

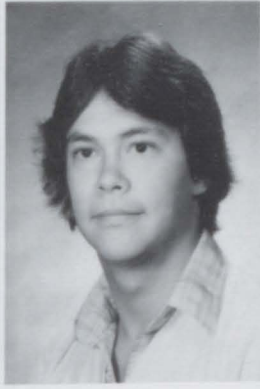

Our class officers tackled their responsibilities and came through with a very successful year.

Yette Sorenson, one of our exchange students this year, is from Aabenrea, Denmark.

When she first arrived she wasn't sure she was going to enjoy her stay as much as she thought. There were so many different customs; from the condition of cars we drive right down to the way we eat. But she wanted to be able to go back to Denmark and say that she had an experience in America for a full year.

Once she got used to the cultural change she felt more at home and had a good time.

Yette Sorenson says, "It's sick to have only 5 minutes between classes."

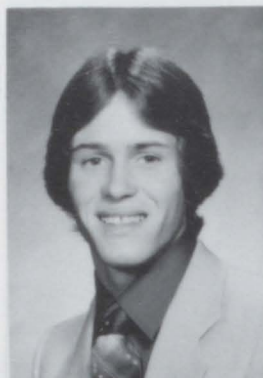

Being a Senior means always being on the move. Starting with day one, we were measured for our caps and gowns. Soon afterwards we held a class meeting to pick the colors of our gowns. We chose maroon and champagne over other suggestions of grey and lilac, and blue luster and princess blue. To go with these colors we chose as our class flower a red rose. "Where have all the good times gone" won for our class song, and "All the dreams you seek are within yourself" is what we chose as our motto.

Ordering announcements, contacting colleges, acquiring jobs and many more activities filled the year with excitement. Before we knew it graduation day was upon us. We all took a look inside ourselves at all the past memories we've shared and wondered what kind of lives we would lead.

*We had the opportunity to talk to college representatives, who gave us an inside look at their schools. With the help from our counselors, we took the next step and filled out admission applications as well as applications for scholarships and financial aides.*

*Many of us then went home and eagerly checked the mail to see if we had received "our letter of acceptance" from the college of our choice, thus making our chosen career one step closer.*

The most exciting adventure of the year had finally arrived, and with all the hard work we put in preparing for it we really needed it.

We all tried to get in as many hours at work as we could to make our paychecks just a little bigger. Paying for our fun in the sun was going to be harder than we thought. Shopping for summer clothes, toning up our bodies, picking roommates, signing up for our busses, and most important obtaining the most nearly perfect fake I.D. we could find.

This year we Seniors broke tradition and decided to stay in Orlando but we managed to find time to party under the sun on Daytona Beach.

During our stay in Orlando we took two days to visit Disney Land and the new Epcot Center which had already opened that year.

The S.S. Scandinavian might not have been ready for us rowdy Seniors but we were more than ready for a full day cruise aboard the ocean liner.

We all needed the long bus ride home to recuperate. In the beginning some of us had doubts about Orlando but looking back we couldn't find any regrets. We did a good job turning Orlando inside out as the Seniors before us did to Daytona.

Touching up their licenses for Florida are Jeff Pelath and Dan Kammer.

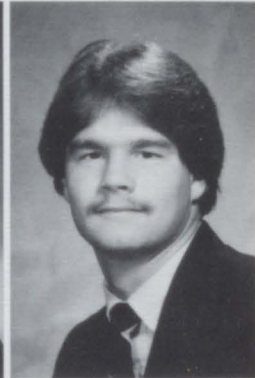

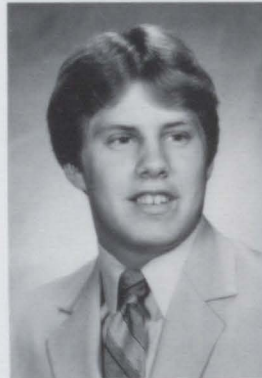

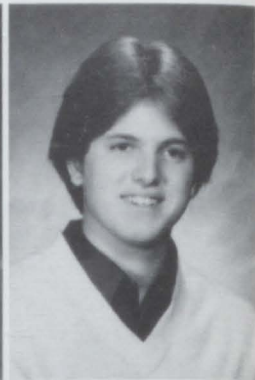

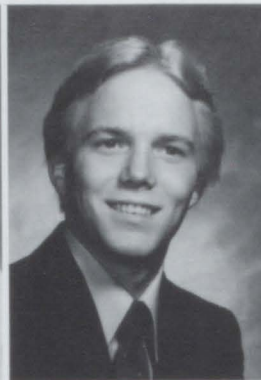

## Seniors Rule

*It's not written down anywhere, it's just a known fact that Seniors rule. We prove this by being the rowdiest and craziest of all the classes. No matter where we Seniors are: athletic events, pep assemblies, or dances we always seem to have the most spirit of all.*

*As we walk down the halls, we Seniors can tell that the underclassmen are envying our Superiority. From past experience, we know that they can't wait for their chance to have the kind of POWER that we Seniors have.*

*But as all students find out, time flies by and before you know it you're a Senior. Every Senior then tries to gain his own power, and tries to hold on to it as long as he can.*

- We could sleep in twenty minutes later.
- Mrs. Lopat gave us demerits.
- Lunch hour was an hour.
- Mr. Ferriby told us his army stories.
- We could come into class twenty minutes late.
- Jeff Koch was 5'6".
- We couldn't chew gum.
- We used to write for Mr. Saunders.
- The Village People were it.
- Everyone wore bell-bottoms.
- Walking to the store at lunch.
- Milk was a nickel.
- Everyone had dread cards.
- We didn't have to do the endurance test.
- The drinking fountains in the Jr. High were at our waists.
- Florida was 450 days away.
- Getting your license was the biggest day in your life.

*Our senior year is fast paced. It seems like we are always on the move, but when we do stop to take a look back, we see how much we've accomplished throughout the years. We've grown socially, physically, mentally, and emotionally. All these accomplishments give us the self confidence we need to step out into the real world.*

## The Contributors

When people talk about Contributors they don't really know how really important these persons are. Without Contributors at M.C.H.S. there would be a lot less things for the students to do. To take an inside look at this group of concerned individuals shows people who are interested in giving young people a chance to learn through the world of work. One way this is accomplished is providing students with jobs and opportunities to expand their educations.

# Mariners Look Ahead

The students of M.C.H.S. might easily fool a visitor with their serious attitudes when they are in classes. Actually they're just waiting for the right moment to get out of class and be themselves. When the bell rings, it's time to let loose and become an individual.

1. Amy Strutz shows her true "Mariner Pride."
2. By the look on Jim Springborn's and Steve Sharnweber's face, the Mariners made a bad move.
3. Two very supportive basketball fans are Kevin Kammer and Kevin Parker
4. Studying at the skill center are Ray Hill, Mickey Lester, Phil Allor and Tim Kaminski.
5. Mrs. "Toad" Ralston supervises the rock-a-thon.

# Mariners Close the Year

1.

Who's got the sexiest legs? Seniors go to FLORIDA ... Queen Lori reins ... Prom time already ... What, no winter? ... Jette visits from Denmark and meets Leina Matos from Brazil ... Wow! a play from the drama class ... Are you going to the games? ... It can't be June already ... Or can it?

1. Kathleen Beatty gives a cute smile for the camera.
2. "Oh! Was that the bell?" replies Mrs. Christy.
3. Mrs. Burmann declares Gary Maybery sexy legs for 1983.
4. Junior Patty Merrick waits for a rebound.
5. Getting rid of a chill is Jetta Soerensen.
6. Some tride and sure basketball fans are Dave Koch, Todd Gardner and Casimir Jaworowicz.
